Dear Students, Parents, and Community Members:

The Spring Valley Area School District would like all district families to be aware of legal information posted annually and where you can find the information. Many of the annual notices are listed in the district newsletter that is sent to each district resident in August. Pursuant to the 2015 Wisconsin Act 55, schools are also required to provide notice of the following:

• **Academic Standards:**

- As outlined in district policy number 330, the school board has adopted the Wisconsin Academic Standards that can be found on the Wisconsin Department of Instruction website at <http://dpi.wi.gov/standards>.

• **Accountability Report:**

- The 2015-2016 district and school report cards can be found on the district website at <http://www.springvalley.k12.wi.us>.
 - In 2015-2016:
 - The School District of Spring Valley – Exceeds Expectations per Accountability Report
 - Spring Valley High School – Exceeds Expectations per Accountability Report
 - Spring Valley Middle School – Meets Expectations per Accountability Report

• **School Options:**

• **Special Needs Voucher Program:**

- Act 55 creates a special education voucher program under which students with disabilities, who have been denied from attending school in a nonresident district under the public school open enrollment program and attend a public school during the 2016-2017 school year, can attend a participating private school on the \$12,000 voucher. The Wisconsin Department of Public Instruction is currently developing more information on this program and will provide information as it becomes available.

If you have any questions, please feel free to contact me. For a complete list of annual notices posted by the Spring Valley Area School District, please visit our website at <http://www.springvalley.k12.wi.us>.
