

**Spring Valley School District • 2021-2022 Planning Project
Community Session (12) • Vision & Priorities • Results**

Vision & Priorities

Step #1: Write items for your new Vision here.

In five years, we will have developed, delivered, & be recognized for...

- Opportunities that prepare for the real world - Life skills courses
- College and career readiness (not or)
- Providing well rounded co-curricular opportunities
- Productive citizens that are prepared for life post-school
- Board/community cohesiveness
- Providing adequate support for diverse student population

Step #2: Identify between 4 & 6 near-term Priorities to get there.

- 1) Additional Life Skills courses offered FCS, Finance, Tech Ed/Trades - FCS was a major focus area as was Tech. Ed / trades.
- 2) Increased community / school club offerings (clubs for all skills)
- 3) Split School Counselor focus to prioritize both social emotional support and career counseling
- 4) Create and offer a job fair with local employers
- 5) Create opportunities for the Board and Community to have interactive dialogue/communication
- 6) Expansion of Arts offerings
